Date: 28-29 of March, 2011, Place: China, Beijing

QuantorForm Ltd. (Russia) jointly with Chinese representative FUKIN TECHNOLOGIES SERVICES (Beijing) are happy to invite you and your colleagues to take part in regular QForm Seminar «**QFORM 20 YEARS INDUSTRY APPLICATION**»

QForm has 20 years application in various industrial, research and educational fields and, especially, has made a great contribution into forging industry all over the world.

The seminar is aimed to present a way to increase the efficiency of forming processes by using numerical simulations, in particular, the latest version of QForm software. Several companies will present their stories of QForm.

Within seminar, we arrange training for advanced and new users. Users, who passes the test, will be awarded and get a chance for trial license for 90 days.

Date: 28-29 of March, 2011
Place: Beijing
Terms of participation: free of charge!
Application acceptance: till 20 of March, 2011.
